The Rotary Club of Ancaster A.M. is a member of Rotary International, an international service organization consisting of men and women business leaders who are devoted to serving the community and promoting world peace.

The Rotary Club of Ancaster AM has many achievements connected to the community and promoting world peace including helping to fund the Ancaster Rotary Centre, building a pediatric radiation suite at Juravinski Centre, running a successful breakfast program at Dr. Davey School, building water & sanitation systems in the Dominican Republic, building water wells in Haiti, funding for the Juravinski Breast Assessment Centre, providing yearly scholarships to students, supporting polio eradication, involvement in Rotary international student exchange, supporting and hosting Children from Chernobyl, funding and delivery of wheelchairs to the infirm in the Dominican Republic, building Ancaster Spray Pad, hosting Rotary Spelling Bee for Hamilton students, providing and serving hot meals to guests of Mark Preece House as well as many other projects.

We raise funds for our projects with various fundraisers held throughout the year and the generosity of our sponsors. 2018 marks the 15th anniversary of the Rotary Club of Ancaster AM fashion show. The show promises a fun evening filled with great new fashions, wine, food and raises funds to support worthy causes in our community. The 2018 event will take place Thursday, May 17th at Michelangelo Banquet Centre in Hamilton.

Routinely sold out, we expect over 400 guests.

Funds raised at this year's event will be shared with the Hamilton-Halton Construction Association (HHCA) in support of the HHCA Legacy Build 2020. Led by the HHCA Women in Construction Group, the Legacy Build is the HHCA's commitment to build a home for a local family with Habitat for Humanity in celebration of the organizations 100th anniversary.

We have attached the various sponsor levels available for this year's show. We hope that you will join us in the fun and helping to raise funds for a very important community project with Hamilton-Halton Construction Association Women in Construction Group and Habitat for Humanity Hamilton!
